Report of Mentor-Mentee Program /Meeting 2022-23(SemI,III,V).

During the academic year 2022-2023, Student Mentoring Program was successfully conducted by meets through offline mode and discussed with students about their problem during the course, where in sessions on mentoring were organized as a part of regular teaching sessions. Besides the informal ways in which mentoring was always offered to the students, Out of 565 students, prominently on an average 300 students attended the mentoring sessions and raised their queries.

• The nature of the queries was:

1. Academic(LikeCBCS pattern or change syllabus)
2. Co-curricular & Extracurricular Activities
3. Personal and College Issues
4. Course related issues and queries.
- 5.-physical ,health issues problems.

• List of the area in which queries were raised prominently:

1. Syllabus and recommended reading material related queries.
2. Attendance to the classes related queries.
4. Reference books related to new trends in subjects.
5. University exam and structure of question paper related queries.
6. Personal and College Issues.
7. physical & health issues problems.

• Out come Analysis:

- The students were guided to refer books and download pdf files and e-materials.
- As per the mentoring sessions, students could get clear ideas to use proper book from library.
- Students were given understanding about the career opportunities in the suggested area.
- They were given best advices as to concentrate on their studies more and follow up the issues systematically.

- Open communication between mentors, mentees and program managers is one of the most important aspects of a successful mentoring program. When we understand each other's aspirations and motivations, it helps to create a more successful program with fewer roadblocks.

Report of Mentor-Mentee Program /Meeting 2022-23(SemII,IV,VI).

During the academic year 2022-2023, Student Mentoring Program was successfully conducted by meets through offline mode and discussed with students about their problem during the course, where in sessions on mentoring were organized as a part of regular teaching sessions. Besides the informal ways in which mentoring was always offered to the students, Out of 565 students, prominently on an average 310 students attended the mentoring sessions and raised their queries.

• **The nature of the queries was:**

1. Academic(LikeCBCS pattern or change syllabus)
2. Co-curricular & Extracurricular Activities
3. Personal and College Issues
4. Course related issues and queries.
- 5.-physical ,health issues problems.

• **List of the area in which queries were raised prominently:**

1. Syllabus and recommended reading material related queries.
2. Attendance to the classes related queries.
4. Reference books related to new trends in subjects.
5. University exam and structure of question paper related queries.
6. Personal and College Issues.
7. physical & health issues problems.

• **Out come Analysis:**

- The students were guided to refer books and download pdf files and e-materials.
- As per the mentoring sessions, students could get clear ideas to use proper book from library.
- Students were given understanding about the career opportunities in the suggested area.
- They were given best advices as to concentrate on their studies more and follow up the issues systematically.

Open communication between mentors, mentees and program managers is one of the most important aspects of a successful mentoring program. When we understand each other's aspirations and motivations, it helps to create a more successful program with fewer roadblocks.
