ERP SYSTEM
Administration

The screenshot displays the ERP System Administration interface. The top navigation bar includes menu items like Dashboard Reports, Organization, Posts, Employee, Students, Academics, Events, Research, Communication, Planner, and Quick Reports. The main content area is titled 'DASHBOARD REPORTS >> HR DASHBOARD' and features three pie charts: Gender Wise Bifurcation, Post Type Wise Bifurcation, and Designation Wise Bifurcation. A summary box on the left shows Total Employee Count (797), Average Employee Age (40.46), and Average Employee Tenure (10.01). The Designation Wise Bifurcation chart lists various roles such as Assistant Professor, Lecturer, Associate Professor, Peon, etc.

The bottom part of the screenshot shows a user interface for Mr. Vaibhav Joshi (Assistant Professor / Academic Administrator). It includes a navigation menu with options like Planning, Schedule, Analysis, Functioning, Events, Research, Grievance, Planner, Exam, Communication, and Report. A central panel displays 'Batch Section Management' and 'Faculty Course Planning' with various status indicators (Worksheet, Attendance, Feedback, Task & Events). A 'JOB TRAY' on the right shows pending tasks like Feedback (5), Office Document (2), and Schedule Alert (1). A 'QUICK LINKS' section is also visible.
