Dear Komal Shinde,

We are thrilled to extend this offer of employment for the position of Front-End Junior Developer at **CODEPIXCEL**. We were impressed by your skills and enthusiasm during the interview process, and we believe that you will make a valuable addition to our team.

ANNEXTURE A

Position: Front End Junior Developer
Start Date: 19 Mar 2024
Salary: Salary compensation is mentioned in annexure B
Location: Aurangabad

Your responsibilities will include, but are not limited to:
Collaborating with the development team to design and implement user-facing features Writing clean, efficient, and maintainable code Participating in code reviews and providing constructive feedback
Assisting in troubleshooting and debugging issues. Staying up-to-date with the latest web development trends and technologies
As a member of our team, you will have the opportunity to grow your skills and take on increasing responsibilities as you gain experience. We are committed to providing you with a supportive and inclusive work environment where you can thrive and reach your full potential.

This offer is contingent upon the successful completion of [any necessary background checks, drug tests, etc.]. Please review the enclosed documents, including the Employee Handbook, and sign and return a copy of this letter by [Date] to indicate your acceptance of the offer.
We are excited about the possibility of having you join our team and look forward to working with you. If you have any questions or need further information, please don't hesitate to contact at 9022050461

Sincerely,

Santosh asole

Hi Shrutika Verulkar,

I hope this email finds you well. We are thrilled to extend an offer to you for the React Development Internship at Cehpoint. Congratulations on being selected for this exciting opportunity!

As a React Development intern, you will have the chance to immerse yourself in the world of cutting-edge technologies, including React and React Native, you will gain invaluable hands-on experience in creating innovative digital solutions and contributing to real-world projects aimed at giving you some basic challenges to improve skills .

Position Details
React Development intern

Internship Duration: 3 month (with the possibility of extension to 3 months).

Stipend: Minimum assured stipend of ₹3000-5000, with a performance-linked incentive

Job preference: After 6 month of internship(Based on our Cehpoint's 0.6 year "minimum experience for employment policy" for Secure Web application developer)

Key Responsibilities:

Front-end

Work in React development for Website projects

Back-end

Utilise Firebase services for real-time database management, user authentication, and cloud messaging. Conduct thorough testing and debugging to ensure functionality and performance meet quality standards.

Daily Responsibilities

1. Assist in the Development process based on requirement & integration of third-party APIs to enhance capabilities.

2. Stay up-to-date on industry trends and best practices to contribute fresh ideas to project discussions.

3. Participate in team meetings and brainstorming sessions to contribute to project planning and strategy.

4. Demonstrate a proactive attitude and eagerness to learn new skills in a fast-paced environment.

Other Requirements:
Availability: <u>4-6 hours</u> per day, 5days a week
Parents permission for internship
College permission for internship

This internship offers a dynamic environment where you will have the opportunity to develop multiple startup concept MVPs and their website and improvements and validation of your skills and expertise in MERN STACK development.

To accept this offer, please confirm your acceptance by replying to this email with your full name and the subject line "Acceptance of Internship Offer" by Today

Engaging in projects that involve cutting-edge technologies like React and React Native will significantly enhance your skills and expertise in MERN STACK development. This hands-on experience will not only bolster your resume but also prepare you for future career opportunities in the tech industry.

Ultimately, actively participating in bridging the gap between industry and academia offers a sense of personal fulfillment. Knowing that you're making a meaningful contribution to society while furthering your own professional development is incredibly rewarding and inspiring.

We look forward to welcoming you to our team and embarking on this exciting journey together!

Regards,
Jit Banerjee CEO
