Innovation Club

Introduction

Innovation stands as the prevailing concept in the 21st century. It encompasses the transformation of concepts into novel or enhanced products, procedures, and services, as well as the process of bringing inventions to the market. This process involves translating knowledge into economic growth and societal well-being through a sequence of scientific, technological, organizational, financial, and commercial activities. The Science, Technology, and Innovation (STI) policy of the Indian government, 2013, has placed significant emphasis on the pivotal role of innovation. It is committed to establishing innovation incubators to nurture and expose the youth of the nation to ideas and processes, inspiring them to engage in innovative pursuits from an early age.

Objectives:

- Our Institute has formed an Innovation Clubs which would help to engage students in innovative and creative activities apart from providing opportunities for Hands-on activities.
- The key objective of the Innovation Club in college is to create awareness, educate, nurture and inculcate a culture of innovation amongst students and to enable them to generate new ideas and become more innovative.
- In future, Through the strategic partnership with businesses and industries, Innovation Clubs can reach out to our future generation, foster a strong bonding with students and embark on a critical mission to promote critical thinking, problem solving capabilities and adoption of innovative methodology as part of their lifestyle.
- Enrolment of students as 'Innovative Club Members' and allow them to work on innovative projects or participate in activities after college timing, weekends or on holidays.
- To constitute a monitoring committee consisting of one Mentor teacher, student coordinator and members for functioning of Innovation Clubs.

Activities:

- Periodic activities/innovation fairs and competitions to keep the spark of creativity, innovation and design alive and thriving in students.
- Motivate students to participate in research festivals at state and national level.
- Encourage participation in Hackathons
