Report of Seminar on "Career Guidance and Personality Development "

On Dated 23/12/2014 a seminar on "Career Guidance and personality Development" was conducted for the students of MIT, CIDCO. For the seminar an eminent speaker **Mr.Kailash Bafna** owner of Institute of Personality Development was invited to guide our students. Program started with the felicitation followed by the introduction of the eminent speaker than the controls of the dice was handed over Mr.Kailash Bafna.

He have briefed students of today's fast changing era of technology, How and at what speed technology is upgrading, till the students comes out with degrees in their hands some new technology is arrived. It means that there is a need of today's generation that students should always keep them upgraded and competent for their survival in the market and to gain job opportunities. He have described this by giving a presentation on the invention of radio, Television, Internet, Facebook Social media and what period it took to reach people.

He said that one's attitude is the most hazardous thing which brings barriers in one's development , So loose attitude .

He has also given students small examples which bring barriers in one's progress and the solutions to overcome them. The way to approach a company. The method and pattern of preparing biodata and presenting it. If you are suppose to give interview in any company what knowledge should one obtain about the company and why.

He has described all the points in a very simple language understandable by the students by giving simple practical examples. The program was ended by the important and motivational words of the **Principal Dr.Mukti E.Jadhav** later on vote of thanks was given by **Asst.Prof.Sonal D.Bachhao**. Program was coordinated by **Asst.Prof.Sheetal M Chavan**. The success of the program was not possible without the cooperation of all the staff of MIT, CIDCO.
